Friday 16th October 2020.

Here at Landewednack School & Little Lizards we understand completely any concerns or worries you may have as parents during these unsettled times. We would like to take this opportunity to reassure all of our parents and their families that we are constantly following all of the current guidelines to ensure that we are offering a safe environment for our children and staff. We have a strict cleaning and sanitising programme which includes door handles and table tops - this is carried out thoroughly each evening. Shona, our site manager is using much stronger cleaning products which are proven to kill the virus. We are asking to help us keep everyone safe, that parents please advise us on any change to the health and wellbeing of any family member within their bubble. If a member of your family is taking and then awaiting the results of a Covid-19 test, please do not send your children in to school unless the test is negative. Please also be advised that there will be no breach of confidentiality with any information you may provide us with. Thank you again for your continued cooperation and support.

If your child or their sibling from another school/nursery has been advised to take a Covid-19 test, please inform the school or Little Lizards immediately. Your child and any siblings must not return school or nursery until the test has come back negative. Please be assured that any information you give us will be treated in the strictest confidence.

A polite reminder that if a family member should test positive for Covid-19, the whole household must self-isolate for 14 days. When a family member has symptoms the whole household must isolate until a negative test result is received or for 14 days, providing they do not become symptomatic.

Absence from school under these circumstances only will not count against your child.

Child Health Books

The Child Health Checks Booklets have been sent home to pupils in Reception (green booklet) and Year 6 (purple booklet). These booklets give details of health checks that take place in school for those year groups. If you **DO NOT** wish for your child to have these checks then please complete the booklet and return it to school, otherwise the checks will take place. Due to the current restrictions there is no date yet for these checks to take place, however please could the booklets be returned as soon as possible.

Parents Evenings

Mrs Tattersall has sent out information regarding the forth coming parent consultation evenings which are due to take place after half term. Please refer to the message she has sent and book a convenient appointment time to see your child's teacher. For more information please contact your child's class teacher through Class Do-jo alternatively telephone 01326 290337 (option 2) or email Mrs Tattersall secretary@landewednack.cornwall.sch.uk

School Lunch

Please be aware that the cost of a school lunch will increase from £2.30 to £2.34 from Monday 2nd November. This price increase would usually have taken place at the start of the autumn term but was delayed until after the half term holiday due to the Covid -19 outbreak. Your child's ParentPay account will be adjusted accordingly to reflect the new price.

Christmas Cards

Most of the children's photographs for their Christmas cards have now been taken. We are aware that some children may not have had their picture taken because of absence, I (Lyndsay) will endeavour to include these children if I can but apologise in advance if this is not possible. Please email lbray@landewednack.cornwall.sch.uk by TODAY if you DO NOT want an order form with your child's photograph proof to be printed by "Seashore Gifts" who will be producing the cards and accessories again this year. The photographs will remain the property of Landewednack School & Little Lizards and will not be used in conjunction with any other project.

Parent Survey

Please click on the link to participate in the "Landwednack Parent Survey - Covid 19 Home Learning and September Return to School" Thank you to those parents who have already completed the survey.

Packed Lunches

As many of children enjoy a packed lunch each day and as part of our Healthy School status please click on the link below to access more information on varying your child's packed lunches each day.

We also ask that where possible our children do not have in their packed lunches peanuts or food that may have peanut traces within their ingredients.

Choughs Visit to Cadgwith Woods

Half of the Choughs class paid a visit to Cadgwith Wood yesterday afternoon with Mrs Green and Elaine. They had a wonderful afternoon exploring the woods and making clay creatures using twigs and leaves. The other children from Choughs will visit next week!

Dear Parents,

I just wanted to say a quick hello as I don't see you as much as I would normally; we are all continuing to follow our (very strict) guidance to keep all of our children and staff safe.

I am able to 'at a distance' see the children in their classes; it is so lovely to see how resilient, hardworking and creative they are. Despite the restrictions, we are teaching our full curriculum- please have a look at your child's class Topic Web and keep an eye on Dojo. Teachers are looking forward to seeing you (virtually or in person) at parents' evenings so please do sign up if you haven't already.

Finally, I wanted to say thank you for your patience with us at school. As I hope you know, we always strive to be a very open and welcoming school; currently we do have to follow legal guidelines. For the foreseeable future, we are continuing to ask you to come to school at specific times and enter via specific gates; we have to ensure we remind you to only collect children in your own family bubble. This is a challenging situation for you and also for our staff and we all hope that this does not go on for too long. I hope you understand that this is not the choice of our staff but I have to ensure all guidance is stuck to 'like glue' so I know we are doing our best to keep your children and families safe.

Thank you so much for your positivity and support; I hope that by the summer term if not before, we can get together as a school family once again.

With best wishes

Mrs Jones 😊
