Christmas Hamper Draw

In the absence of our annual Christmas Fayre this year, a reminder that staff have put together a Christmas Hamper with all the money raised going towards purchasing some new seats and benches for the playground and our Forest School/Wild Tribe area on the school field. To take part the cost is £1.00 for a strip of 5 raffle tickets - there is no limit as to how many tickets per family can purchase and we warmly welcome friends and family also taking part.

Tickets can be purchased by sending your money in to school or Little Lizards in a sealed envelope with your child's name clearly written on the front - your tickets will come home via your child. The draw will take place here in school on **Friday 4th December** the hamper and additional prizes can then be collected by the lucky winner/s at the end of the day. Thank you to those who have already bought their tickets - Good Luck!

Face masks

Please ensure that facemasks are worn at all times when entering the school grounds.. Please also ensure that your children are dropped off and then collected from school and Little Lizards at their correct "Bubble" time each day. It makes it very difficult to keep our children separate if they are arriving and leaving at times that encroach on other bubbles. We thank you for your continued support, understanding and cooperation in helping us to keep your children safe

Christmas Cards & Presents

Without wanting to sound very Bah Humbug and in our efforts to still limit what is being brought in to school and the nursery sadly we will be asking the children to **NOT** bring in Christmas cards or presents for their friends or staff at school or Little Lizards this year.

We are very much aware that Christmas for the children at Landewednack and Little Lizards will be different this year. With this in mind we will be endeavouring to ensure that the children are still able to celebrate the season safely within their Bubbles.

ONLINE SAFETY

TikTok - more parental controls

With TikTok surging in popularity, including children deliberately increasing their followers to 1,000 so that they can go live, it's good to see TikTok making more controls available for Parents. The features which are available via Family Pairing include the ability to prevent the child searching and preventing strangers from seeing the child's post.

Please follow [**THIS**](#) link to see the new and the older features of TikTok -

Celebrating Diwali

As part of their enrichment topic "Understanding the World" Children in Reception have been learning all about the five day festival of lights - Diwali and have made their very own lamp which is called "Diya". They learned that the lamp signifies good over evil along with goodness, good luck and power. The children were delighted with their creations.

Brighter Smiles

As an introduction to "Toothbrush Club" children in Little Lizards and Reception were visited by Jo Trevelyan from *Brighter Smiles*. Jo showed the children how to effectively clean their teeth every day, with a little bit of help from Dylan the Dragon! Jo will visit the children again in the New Year.
