

How to join our Google Meets

Joining from Laptop:

1. Open google chrome (or your web browser)
2. Go to <https://meet.google.com/> and make sure you sign in as your child (or click the top right circle with your initial/profile picture to change accounts).
3. Click on 'Use a meeting code'
4. Type in your class name ("Puffins", "Choughs", or "Razorbills") without the speech marks. You will use this code EVERY TIME.
5. Join when you are ready. You CANNOT join unless your teacher is already in.

Joining from Smartphone/Tablet:

1. Open up the google meet app.
2. Make sure you're signed in as your child. (top right - click your circle profile picture/ the blue person outline and click your child's account, or "add another account" and sign in).
3. Click on 'Join a meeting'
4. Type in your class name ("Puffins", "Choughs", or "Razorbills") without the speech marks. You will use this code EVERY TIME.
5. Join when you are ready. You CANNOT join unless your teacher is already in.
