Date 17th March 2023

Dear parents

It is with great sadness that we will be saying goodbye to Mrs Judith Green at the end of this term. For personal reasons, Mrs Green will be stepping down from her role as SENCo at both Landewednack and Grade Ruan schools.

Mrs Green has been part of the Landewednack School family for 29 years and has worked with many children, too many to count, throughout that time.

Mrs Green's commitment to and love of our school has been clear for all to see; she has been a teacher for many years, has organised, produced and led many creative performances such as Christmas nativities and the famous Summer Performance, she has also led the school choir, giving much of her own time to this. During recent years, as SENCo, Mrs Green has supported many children, including offering much needed emotional support. More recently, during the Covid pandemic Mrs Green's work supporting children during lockdown in particular was recognised by the Trust.

Mrs Green's sense of fun, creativity and kindness will be greatly missed by us all, and I know this is not a decision she has taken lightly, but she has promised to keep in touch and will be popping in to see everyone from time to time.

In true Mrs Green fashion, we are going to be having 'a cup of tea and a slice of cake' on Friday 31st March from 3:00 to say goodbye. You are more than welcome to pop in and join us.

If you wish to contribute towards a leaving gift, please feel free to drop something into the black 'post box' inside the main entrance.

I'm sure you will join me in saying a huge thank you to Mrs Green for her years of dedication to our school and in wishing her all the best for her future.

Louise Jones

Dear Parents,

Due to personal circumstances I am so sad to be having to leave Landewednack School. Working here has been a huge part of my life for the last 29 years, and will take some adjusting to leave it all behind. I first came when pregnant with James and I never left! I brought my four children over and they had a fabulous time at school with us all. The children, staff and all of the parents and families I have worked with over this time have really been like a huge family to me and I take with me many many wonderful memories - of my work as the SENCo and Thrive Practitioner, teaching classes, running the choir, school trips, and many carol services and school plays that I truly loved. I'll try not to be a stranger and might pop in and out at some point in the future.

with much love, Judith Green.
