Norman Nicholls Football Tournament

Good luck to our football team who take part in the Norman Nicholls Football Tournament in St Keverne again on Saturday 22nd June. This is a tournament we have won several times in recent years so no pressure team! The children will be met by Mrs Jones, however as this is not a school organised event all children need to have an adult with them throughout the afternoon.

Choir

Mrs Green would like to invite the parents of the school choir to come and watch their children perform on Monday afternoon at 4pm.

Open Farm Day – Cake Stall

Thank you to the members of the School Association for running the ever popular cake stall at The Open Farm Sunday event last weekend. A fantastic £225.60 was made and we wish to sincerely thank those who baked and donated the delicious sweet treats that were sold.

Sunhats & Cream

Now that the lovely sunny weather has arrived- though maybe not today! Please ensure that your child has a hat in school every day and that sun cream has been applied before they come to school. They may apply more sun cream throughout the day if necessary. This message is especially important for the children in Seagulls class who spend a lot of time outside!

We hope that as many children and their families will join in the summer celebration on this evening. There will be refreshments available too.

Head Lice

We have had several reports of head lice doing the rounds again! Please could we politely ask that children are checked and treated accordingly over half term so we can eradicate this problem.

Little Lizards Notices

- Could all children please bring sun hats and sun cream (labelled)- Please can children have sun cream on when they arrive (staff will have some at Little Lizards for those who forget) Children who require a special medicated sun cream please ensure this is with them at all times or please give to a member of staff.
- Please ensure that your children are collected at the end of their session time. A reminder that charges are payable for late pick up.
- Can all children bring a spare change of clothes everyday (including socks) Now that the weather is warming up we will have more water play and activities outside. Also children in nappies need to have wipes provided as well.
- All children need to bring a water bottle each day (labelled) - now it is warming up it is important the children can stay hydrated and access their own bottles. A reminder also that grapes need to be cut in half in the children's lunch boxes, as left whole this could be a choking hazard.
- Bookings for September - please start booking your children in for September 2019 for day care- pop into Little Lizards to see a member of staff.

Lizard Tea Treat Singers

Thank you again to those parents and friends of the school who came to sing with the children and The Lizard Tea Treat Singers on Monday afternoon. It's not too late to get involved, there is 1 more singing session on 17th June. Come along to school on those dates and just join in. Please see the poster attached to this emailed newsletter for more details. We have been asked by the organisers of these sessions for parental permission to use any photographs which may be taken during the singing times. The photographs will only be taken of very large groups of children and never individually. Some pictures may also appear on the Kanna Kernow / Jo Mayes Arts Projects social media sites. Please contact me as soon as possible if you DO NOT want your child to appear in the photographs.

Tag Rugby Club

Tag Rugby Club will run for only one more session this summer term and that will be on Monday 24th June.

Dinner Money

A polite reminder, please that if possible dinner money is to be paid weekly rather than on a daily basis. This would be a great help to Mrs Tattersall when it comes to counting and banking all of the money. Thank you in advance.

SEA SWIMMING LESSONS

Kennack Sands Beach through the school holidays!

Hello, I am a qualified swimming teacher and coach and I will be running children and adult sea swim lessons through July/ August. Children need to be able to swim a little, (doggy paddle is fine) as these sessions are designed to show the swimmers the difference in swimming in a pool and the sea. They will learn survival skills, lifeguard rules and how to spot a rip current/ choosing a safe place to take a swim. Lessons are 30mins and are £6 a child.

They need : Wetsuit and Beach Shoes (This is essential as the sea temperature is significantly lower than the average pool and with the weather heating up it also increases the risks of treading on a weaver fish in the sand) Adults don't need to come in the sea for the lessons but they will need to be on the beach and in the designated area to make it easy to spot if their child should need something and for collection at the end of the lessons. If interested please contact me via Facebook - @BeckyEFreelanceSwimTeacher

Thank you, Becky Edwards.

Our Year 6 Children look fabulous in their Leavers Hoodies!

Move Up Morning & Cluster Sports

It was lovely to welcome our new Reception children on Wednesday morning. All of our Year 6 children also had a lovely morning at Mullion School.

We were sorry that the Cluster Sports event was postponed during the afternoon on Wednesday but we have now been informed of a new date - Thursday 27th June from 1pm. Unfortunately we (quite possibly) don't have the use of our school minibus on this day and can only attend the Cluster Sports afternoon if parents are able to help us transport the children. We are the reigning champions and would love the opportunity to take part again but can only do this with help. If your child is taking part and you are able to drive the children to Mullion and back, please see Lyndsay Bray as soon as possible. Many thanks in advance.

School Uniform

Please could we politely ask that your child's school uniform, PE kit and coat has their name clearly written somewhere on each garment. We recently recycled several jumpers and cardigans that could not be returned to their owners as none of these items were named. Could we also ask that children try to bring home their own clothing. We do understand that it is very easy for children to mistake an item of uniform as their own.
