

SPaG - Paragraphs

1. Go to: <https://www.bbc.co.uk/bitesize/articles/zv4j7nb> and work through the information and watch the 2 videos.
2. Do Activity 1 - the quiz.
3. Do not do any more of the activities - I have a different one for you.
4. Open Kapok Tree Sentences document and read through the sentences and sub-headings.
5. If you can print them off, do that now and follow the instructions for number 6. If not, don't worry, you will do this a different way and I will explain that to you in number 7.
6. If you have printed the document, cut the sentences and sub-headings up. Your job is to re-arrange the sentences under the correct sub-headings.
7. If you can't print the document, write down the subheadings on a piece of paper, leaving plenty of room under each one. Then write some of the sentences under the correct sub-headings. If you are in Y3 or Y4, do as many as you can, but make sure you have at least 1 sentence under each sub-heading. If you are in Y5, please do them all.
8. Take a photo of what you have done and send it to me on ClassDojo.
