The Coastguard's Daughter

PLEASE NOTE THE CHANGE OF TIME

The Canvas Theatre Company will be performing their production of "The Coastguard's Daughter" here in our school hall on Friday 10th November at **7pm**. We are delighted to announce that our school choir have been invited to sing during the performance with the Cadgwith Singers. The choir will be learning "Cornwall My Home" and will be taking part in an exclusive workshop with members of Canvas Theatre during the afternoon of the show. Please see the poster attached to this email.

We imagine this will be a popular show, so please try to book your tickets early. Please see Lyndsay Bray to reserve your seats.

Coastguards Daughter Synopsis

*A true story inspired this play about the bravery, spirit and musical soul of a community living by the push and pull of the tide. Performed with the **Shanty** group **The Press Gang** in the very home of the story, this project culminated in three sold out performances at **Pentewan** church in April 2016.*

*In 1915 the Head Coastguard of one maritime village and his crew, left their posts in order to enlist in the **First World War**. It was the **Coastguard's** wife and two teenage daughters who volunteered and took up his mantle. Undertaking the responsibility of the perilous post and the long watch, looking out over the boats and the bay, staying strong and lighting the way.*

***Poetic and playful**, the unique production celebrates and laments what it is to live by the laws of the sea. The roles and rhythms of both a community at war and working to the beat and sway of the changing tides.*

Key Stage 1 Craft Club

Thank you to those children who have returned their slips and payment to join the Key Stage 1 Craft Club with Becky Edwards. The first group on Thursday 9th November is now full and will include the following children: *Jessica, Isabelle, Kerensa, Daniella, Ruby H, Cody, Jack and Ayse.*

Toddler Group

A reminder that Little Lizards are continuing to host their toddler group sessions every Wednesday during term time from 9.30 - 11am. All babies, toddlers and pre-school children are welcome to come along during the morning.

Fireworks - Saturday 4th November

There will be fireworks again this year at The Lizard Football Club from 6.30pm on Saturday 4th November. The bar will be open and hot food will be served with the display expected to start at around 7pm. Organisers have asked that there are no sparklers please because of health and safety concerns. Entry to the field is free of charge but there will be buckets around during the evening and organisers would be very grateful for any monetary donations so that the event can be held annually.

School Lunch Menu

Your child should have come home with a copy of the new school lunch menu which runs from now until 26th March 2018. This can also be viewed on our website www.landewednack.cornwall.sch.uk

Money

Please could **all** money that is brought into school be put in a sealed envelope clearly labelled with the amount, what it is for and your child's name. The envelope then needs to put in the black box by the office door. Mrs Tattersall asks that money for separate things be placed in separate envelopes. Thank you for your cooperation.

Helford River Children's Sailing Trust (HRCST) has entered an exciting project into the Aviva Community Fund competition and voting is now open.

We want to purchase a floating classroom for our Trevassack Lake project on the Lizard Peninsula, a facility which is specifically for youngsters with special educational needs and disabilities. The floating classroom will enable children and young people who use wheelchairs to experience the same excitement and feel the wind on their faces alongside their able-bodied classmates on the water.

We would be incredibly grateful if you could cast your votes to support our 'Floating Classroom Project'. Please click on the link for more information and to cast your vote

<https://community-fund.aviva.co.uk/voting/project/view/17-5489>

Your support could enable HRCST to provide a stimulating and educational array of outdoor water-based activities for all youngsters whatever their ability, developing confidence, respect and a sense of achievement.

Many, many thanks,

HRCST

Breage C of E Primary School - Please help them WIN a Playground!

Please see the following message from Jenny Brookes, Secretary at Breage School.....

Hi everyone

I've entered our school into a national competition to win a new playground made from recycled products. Breage is the smallest school taking part against 20 other schools (only one of which is another Cornish school: near Camelford).

Voting closes at 23:59 on 14 November and we really need the support of all our MAT schools' staff and parents. Voting takes barely one minute and if you have more than one email address you can use each for a vote.

The important link to include:

www.tescowinaplayground.co.uk

We're currently number 6 on the leader board but need to get to number 1 to win!

Thank you for your support.

Kind regards

Jenny Brookes

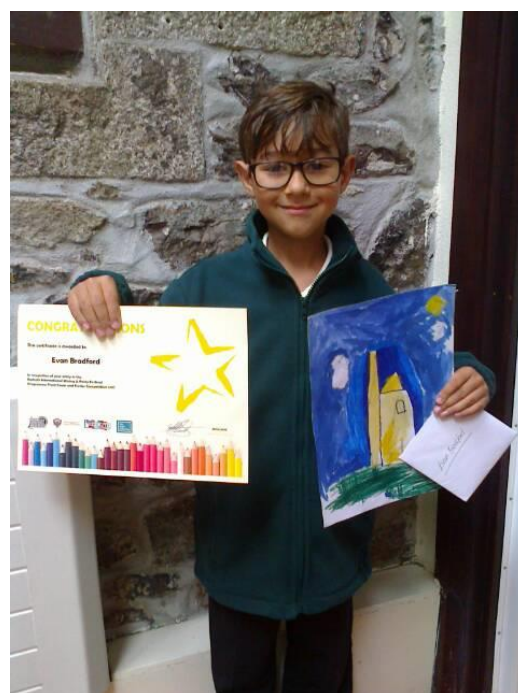

Bikes and Scooters

A polite reminder that we do not allow bikes and scooters (or roller skates!) to be left on school premises during the school day. Though we like to encourage our children to ride their bikes/scooters we ask that parents take them home again when the children have arrived at school. Thank you for your understanding.

Congratulations Evan!

Several weeks ago some of the children entered a competition to design the front cover of the Redruth International Mining & Pasty Festival. We are delighted to announce that Evan in Choughs Class was the overall winner in his age group. We surprised Evan this morning in assembly and presented him with his drawing, certificate and winning voucher of £50.00! Well done to Evan and all of the children who entered the competition. They will be bringing home their drawings and a certificate of recognition today.

Times Tables Rock Stars

"This week is Rock Wrangle week. Every correct answer gives a point towards the total points achieved by your child's house team. On Wednesday 8th November the winning house will be crowned champions and will receive a special prize! As a school we ask that the children play at least 10 minutes every night of Times Tables Rock Stars. Good luck everyone!"
