

## Science - States of Matter

1. Go to: <https://classroom.thenational.academy/lessons/what-are-the-properties-of-solids-liquids-and-gases-6gv30d>

Make sure you have a pen and paper ready.

Click on the green button that says 'Start Lesson' and watch the video, pausing when it says to and following the instructions given.

2. When the video has finished, click the green button that says 'Close Video'.
3. Look at the bottom of the screen - you should see 5 greenish-coloured dots. To the right, you should see a green button that says 'Next'. Click on that until you are on the 4<sup>th</sup> greenish-coloured dot. The screen should now say 'Final Quiz'.
4. Complete the quiz.
5. Send me photos of the activities you did during the video and if you can, a screenshot of your quiz score.
