### Jeans for Genes - Friday 22<sup>nd</sup> September

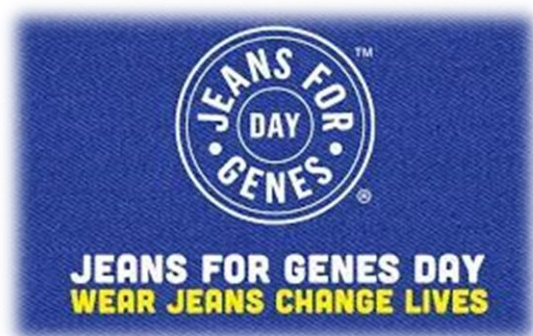

On Friday 22nd September we will again be supporting the Jeans for Gene's charity, which provides essential support for children (and their families) born with a genetic illness.

In exchange for a small donation to the charity we are inviting all of our children to wear their jeans for the day instead of the usual school trousers, dress or skirt.

We have set up a JustGiving page for donations for this fabulous charity.

All at Landewednack, Little Lizards and of course *Jeans for Genes* will be so grateful for any donations received. Please do not send in any monetary donations on the day, we will only be raising funds via the link below. Thank you!

children born between

### Attending a nursery or pre-school

You will need to apply even if your child attends a school's nursery or pre-school class. Please note that if a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.

Dear Parent/Guardian

## Your child's annual nasal flu vaccination is now due

The School-Age Immunisation Service is delivering the flu immunisation programme in Cornwall's and Devon's schools on behalf of NHS England & Improvement. Flu can be a very unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

In 2023/24 all children in Primary Schools from Reception to year 6 (inclusive) will be offered the vaccine. The vaccination is free and recommended for young children; it is administered by a quick and simple spray up the nose. Please enter [www.nhs.uk/child-flu](http://www.nhs.uk/child-flu) to access information explaining the vaccination programme which also includes details about the small number of children for whom the nasal vaccine is not appropriate. The patient information leaflet is also in the attached link: [FLUENZ Tetra, INN-influenza vaccine \(live attenuated, nasal\) \(medicines.org.uk\)](#).

We are due to visit your child's school on **Monday 2<sup>nd</sup> October**. In order to access the online consent form, please enter or click on the following link <https://www.kernowimmunisations.co.uk/Forms/Flu> **PLEASE ENSURE YOU ENTER THE FULL UNIQUE SCHOOL REFERENCE CODE.** The code for your child's school is: **EE143985**

Please submit your consent form by **midday Thursday 28th September** to ensure your child receives their vaccination. If you experience any problems accessing the form please **telephone 01872 221105 for Cornwall schools and 01392 342678 for Devon schools** and the team will be happy to help. Please note that as in previous years you must **opt into** the programme. If a consent form is **not submitted** your child will **not** be vaccinated.

**If your child becomes wheezy or has their asthma medication increased after you submit this form, please contact us on the numbers above.**

If you decide you do not want to vaccinate your child against flu, it would help us if you still complete and submit the consent form giving the reason. This will help us to plan and develop the service. Please tell us if you need this information in a different format.

Yours faithfully
