Task

Research something we haven't learnt about Ancient Greece You might choose:

philosophers

theatre

inventions

calendar

medicine

root words

Tell me all about it. Did anything surprise you? Has it changed much since ancient Greek times? How? You can choose how to present your work. You could do it as a poster, a comic strip, make notes, make a PowerPoint, write an information text or another way of your choice. You should spend about 45 minutes on writing it.
