**The contents of this and every newsletter is relevant information to both our school and Little Lizards parents.**

### Welcome to Rosanna!

We would like to give a warm welcome to Mrs Rosanna Richards who has joined the staffing team at Little Lizards this week. Rosanna is already enjoying her time in the nursery and the children love her being there!

### Sport Relief

Everyone looked fantastic in their sporty gear today! Thank you to everyone who donated to Sport and Comic Relief. Your donations are still be counted and the amount raised will be announced next week.

### Weekly Class Attendance Award

Congratulations to **Seagulls** class who have won this week's class attendance award. **Seagulls** have achieved **98.3%** attendance. They will be presented with their trophy in our SHINE assembly this afternoon. The winning class with the best attendance at the end of each term will receive a special treat! Which class will win next week.....?

A reminder, parents and friends are welcome to join us for SHINE assembly each Friday afternoon from 2.45pm in the school hall.

### Class Dojo app to share learning with parents

Several of our parents still haven't signed up for the Class Dojo app. Please speak to your child's class teacher if you are experiencing any difficulty in signing up.

### Cross Country League

The next two proposed fixtures are on Tuesday 24<sup>th</sup> March and Tuesday 14<sup>th</sup> April (weather permitting!) at Helston Community College. These races are for our Infant and Junior children. A letter for both of these dates will go out nearer the time.

### Year 3 & 4 Chemistry Club

Chemistry Club with Mr Allt began yesterday after school and the children had a great time! The next session times are Thursday 19<sup>th</sup> & 26<sup>th</sup> March ending each time at 4.30pm. Thank you to those parents who have already paid the £3.00 contribution payment

### Football Tournament - Year 5 & 6

There is a football tournament at Mullion School on Thursday 19<sup>th</sup> March involving some of our year 5 and 6 football club children. Letters will go with more information to those children who have been selected to play.

### Football Club

From Tuesday 17<sup>th</sup> March, children who attend Football Club must wear shin pads and football boots please. The weather has been against us so much this term but whenever possible Mr Green and Mr Allt do like to take the children out on to the field for their football sessions. For their own safety, children will not be able to take part without shin pads or football boots if the club is being taken outside. Thank you for your cooperation and understanding.

### After School Club Attendance

A reminder that all of our clubs are run by volunteers and we expect the children to attend the ones they have signed up for every week. Could we please ask that if your child will not be attending one of the clubs on a particular week, they let the club leader or Lyndsay Bray know. Persistent absences may result in your child being removed from the club registers.

## Coronavirus Update

Southerly Point Co-operative Multi-Academy Trust would like to assure our parents, staff and children that we are closely monitoring, and following, the latest information and advice issued by Public Health England with regards to the Coronavirus [COVID-19] outbreak. The Department for Education [DfE] has set up a helpline open from 8am to 6pm weekdays to complement the advice being provided by Public Health England and the regular updates sent to all educational settings.

We keep in daily contact with Public Health England to stay abreast of the changing situation and we will update you accordingly. We stress that we have stringent and robust systems in place to ensure that daily cleaning procedures are thorough and effective. Children's personal hygiene routines are enforced daily by school staff as an integral part of their day.

We hope it is unlikely that we will need to close any of our schools due to the virus. However, if a positive coronavirus case is identified from within our staff or pupils, we will seek immediate advice from Public Health England. If there is an enforced closure of schools by Public Health England, we will inform you through the school's usual communication channels. We also will send out notifications to the media. Where a closure happens within a school day, a text or phone message / Radio alert will be sent to all parents and no pupil will be released from our care until a parent has collected them or parents have given the school permission for the pupil to walk home.

During the period of closure your child will be provided with work to complete at home. Personal hygiene is important during this time and please can you talk to your children about this. If any of your family are diagnosed with the virus, we would need you to inform your Headteacher as soon as possible. Thank you.

### Advice for stopping virus spread

Wash hands frequently with soap and water or use a sanitiser gel

Catch coughs and sneezes with disposable tissues

Throw away used tissues (then wash hands)

If you don't have a tissue use your sleeve

Avoid touching your eyes, nose and mouth with unwashed hands

Avoid close contact with people who are unwell

BBC

From Monday 16<sup>th</sup> March please could children in Seagulls and Choughs Classes bring into school their own water bottle clearly labelled with their name on it. The children currently drink from cups which are washed after each use and at the end of the day. However with the current situation regarding coronavirus we are trying to ensure that the children drink only from their own bottle and not from a cup used (though washed!) by another child. Children in Razorbills and Kittiwakes classes already have their own bottles.

## Netball Tournament

Congratulations to our Netball teams who competed in the tournament at Mullion School on Wednesday afternoon. We are delighted that our Team A - Year 5/6 team came first in their set of matches, with team B finishing in 5<sup>th</sup> position. Our younger team of Year 3/4 children finished in 4<sup>th</sup> place. Well done to you all. Our winning team will now go on to Penryn to represent the Mullion Cluster of Schools in the next round. Thank you to Miss Wells, Elaine and Demelza Vincent for accompanying the children throughout the afternoon.

## Netball League

Well done also to our Netball League team who competed at Mullion School yesterday afternoon. On points, we finished in joint 2<sup>nd</sup> place with Mullion Primary School, with Nansloe being crowned as overall winners. Archie, Ruby B, Sonny, Phoebe, Lily, Rosenwyn and Poppy – you were all fabulous! Huge thanks to Mrs Jane and her team of Sports Leaders and to Miss Wells to being an excellent Netball coach!

## Toys

A reminder, that we do not encourage or want the children to bring in to school their own toys. We are finding that our younger children especially are bringing in smaller toys which are getting lost or broken. Please could we ask that parents assist us in ensuring that their children leave at home toys or games that shouldn't be in school. Many thanks for your cooperation.
