Friday 24th September 2021.

Photographer Jo Buckley will be in school next Monday 27th September. Jo will be taking the children's individual and sibling photographs including Little Lizards. If your child does not usually attend Little Lizards on a Monday they are welcome to come and have their photograph taken from 9am.

Younger siblings and those at Mullion School may also have their photographs taken with their brothers/sisters. We ask that they arrive from 8am and wearing a face mask please - which will can obviously be removed for the photograph! :)

Please inform Lyndsay Bray in advance via ClassDojo or by email if an older sibling will be coming in to have their photograph taken. lbray@landewednack.cornwall.sch.uk

Monday 4th October - Open Morning

We would like to invite parents in to school during the morning on Monday 4th October. Parents are invited to take a walk around the school between 9.30am and 10.15am. From 10.15am there will be four 15 minute workshops run by each of our teachers explaining about "Doodle", "Go read", "Thrive" and "Google Classrooms". Mrs Green will also be here during the morning. We hope to welcome you all along.

Please note that we cannot consider any child for participation unless we receive an application form from a parent or duly authorised legal guardian – please do not include any details of any child in any response you send.

Applications must be submitted by a parent/legal guardian and auditions are taking place in October and November 2021.

Arrival at School

A polite reminder that all children are expected to be in school by 8.55am each morning please. Little Lizards children may arrive from 8.55am.

Year 5 & 6 Football Club

All members of Mr Green's Football Club **MUST** have their own shin pads and football boots/astro trainers when attending each week.

Children will not be able to continue in Football Club without them.

Facemasks

Could we politely ask that all visitors to the school and Little Lizards continue to wear a facemask please. This is still asked of parents when dropping off and collecting their children from the nursery each day. This is a policy being adopted by all of the schools within our Multi Academy Trust and will be reviewed at the end of September. In the meantime we thank you for your continued support in helping us keep everyone at Landewednack School and Little Lizards safe.

Friday is "Citizenship Assembly" Day

Today Mrs Jones spoke to the children about facemasks in her assembly - about their importance, their valuable usage and how some people chose to dispose of them! Each week we aim to give our children the opportunity to tell us their opinions on the topics that have been discussed during the assembly.

"People wear them and just leave them around and that gives pollution to the world. This is not good! I have been on the beach and picked them up and other rubbish. It is really important that we pick up our litter"

Rudy, Year 2

"I think this is right - facemasks are helping to destroy the world. I think that cotton and fabric facemasks are better for people to use and not anything with plastic."

Jacob, Year 5

Our children are very passionate about looking after our environment and we are proud to have achieved the Eco- Schools Bronze Award. We are now working towards the Silver Award and will be reassembling our Eco Council at school very soon. If there are any parents who would like to volunteer to help us with this please message via Class Dojo or email Lyndsay Bray for more information lbray@landewednack.cornwall.sch.uk
