

Calendar Challenge

Yolanda Year has been practising spelling the days of the week and the months of the year but she has forgotten one really important thing... they are all proper nouns that should start with a capital letter!

Write each name again so that it starts with a capital letter.

Days of the Week

monday	_____	tuesday	_____
wednesday	_____	thursday	_____
friday	_____	saturday	_____
sunday	_____		

Months of the Year

january	_____	february	_____
march	_____	april	_____
may	_____	june	_____
july	_____	august	_____
september	_____	october	_____
november	_____	december	_____

Create a Months Poster!

To further practise writing these words and using capital letters, why not make a bright, colourful poster with days of the week and months? This could be displayed in your home to help remember the days of the week and months of the year. There are many Twinkl display calendars that you could model your poster on, e.g. [Minibeast Themed Display Calendar](#) or [Space Themed Display Calendar](#).

Professor Punctuation's Challenge

All the words below are proper nouns and Professor Punctuation has spotted that they should be written with a capital letter. Please help her to correct the words by writing them out correctly. If you get stuck, use the alphabet at the bottom of the page to help you remember what each of the capital letters looks like. The first one has been done for you.

paris	<u>Paris</u>	mario	_____
susan	_____	monday	_____
pacific ocean	_____	july	_____
spain	_____	sarah	_____
england	_____	america	_____
mr brown	_____	scotland	_____

Fold along the dotted line to hide the alphabet.
