Year 6 Mullion School Summer School

Please follow the link below to a Google form to sign up for the summer school at Mullion Comprehensive. This happens every year, but is so much more important this year with the difficulties that COVID has brought, as our year 6 children have missed out on much of our usual interaction with the school. Mr Loder from Mullion School has said he is hoping for a high take up of the summer school, and is looking forward to getting to know your children and helping them familiarise themselves with Mullion School. If you have any problems completing the form, please contact Mrs Tattersall who will do her best to help.

Children (and staff!) in Puffins class were excited to receive a visit from some very cute ducklings which Miss Carey had hand reared to keep as pets at her family home.

The children enjoyed meeting the ducklings and feeding them their favourite food.....peas! They will continue to follow the ducklings' progress as they grow in to adult ducks.
