A Message from Mrs Tattersall….

We're getting close to our Christmas Fayre! Please could we have donations of Christmas bakes (homemade or shop bought) for our refreshments stall, and small toys (new or good condition second hand) and chocolate, for our toy and chocolate Tombola stalls.

We have craft stalls where you can buy some Christmas crafts and gifts - jewellery, cards, crochet and knitted items, Jane's amazing items made from recycled materials (think denim bags etc..) sweets and stocking fillers and many other gifts.
Thank you for your continued support and help, we really do appreciate it.

Little Lizards….
Please could we remind parents that all children will need to have a pair of wellies kept at nursery, and they must bring a coat and 1 or 2 changes of clothes every day, especially now the weather is getting wetter and the children are finding all the puddles!

Coats!

Please ensure your child/children bring a warm waterproof coat in to school and Little Lizards every day.

Please follow the link below for the 'Time to Move' Christmas Holiday Programme...

https://www.activecornwall.org/T2MHolidayProgramme/

We would like to ask and politely remind parents and carers to please check that the games your children play are suitable for their age.

Some children are mentioning to us that they are playing and/or watching games such as **Grand Theft Auto (GTA)**. This game is rated **18**, which means it is made for adults, not children. It includes violence, swearing and other adult content.

Children may copy words or actions they see in games, which can affect how they speak and play with others at school.

How can you help?

- **Check the age rating** on games before your child plays them.
- **Check what your child watches** on YouTube and other apps.
- **Set parental controls** on games consoles, phones and tablets.
- **Talk to your child** about the games they play.
- **Choose games** that are suitable for their age.

We know and appreciate it can be hard when children want to play the same games as their friends or older brothers and sisters. Thank you for helping us keep children safe and happy, both at home and at school.

For more advice, visit **www.internetmatters.org**.
