[Landewednack CP School - Attendance and Absence Procedures](#)

Good attendance makes a huge difference to children's learning, confidence and wellbeing, and we are grateful for the continued support of our families in helping every child *Believe, Achieve and SHINE*.

Why this matters

Being in school every day helps children make strong progress, build friendships and feel secure in their routines. Even small improvements in attendance can have a big impact over time.

Thank you

We want to thank all families who keep us informed, follow illness guidance, and work closely with us when attendance dips. Your partnership really does make a difference.

How we support attendance

We continue to:

- Check in early when patterns change
- Offer pastoral and wellbeing support
- Work with families to remove barriers
- Celebrate good and improving attendance across the school

A reminder that we break up for the half term holiday TODAY at our usual finish times. Please see June in Little Lizards for details of Half Term Holiday Club which will be open on Tuesday 26th & Wednesday 27th May.

A message for our Chair of Governors....

The Local Monitoring Committee (known more widely as School Governors), would love to have one or two parents/guardians join us. It's a great way to learn a little more about the running of the school, and the MAT we are within.

What does it involve?

Attending one late afternoon mid-week meeting per half-term, and occasional other visits in school hours, no more than once termly. We have staff and community representation, but we feel we would benefit from stronger parent/guardian - or grandparent - inclusion.

If you are interested in finding out more, please contact the Chair Rachel Holder RHolder@landewednack.tpacademytrust.org or chat to Mrs Jones.

'On behalf of the Committee, I would like to take this opportunity to congratulate all of the staff on the recent positive Ofsted rating. It's fantastic to see everyone's hard work and dedication recognised and celebrated, and it was great to hear from the inspectors that they had received a large amount of supportive parental feedback.'

Do you have a child aged 8-17 who is struggling with their mental health?

THIS GROUP AIMS TO SUPPORT YOU TO:

- ✓ Meet other parents who understand your situation for mutual support.
- ✓ Learn strategies to help you support your child, with no judgement!
- ✓ Help you to prioritise your own well-being as a parent.

WHEN? Find out more at our **Information Session** for parents at 1pm on Tues 2nd or 7pm on Wed 3rd June 2026.

Power2Parent Support is free mental health support for parents of children and young people struggling with emotions, behaviour and/or mental health. They are offering a free online workshop for parents on 2nd & 3rd June 2026.

Unfortunately, anxiety, depression, self-harm and other mental health struggles are on the rise in children, particularly following the Covid-19 Pandemic. As parents, we can be left feeling overwhelmed and helpless, not knowing where to turn for help.

For more information and to sign up to the free online workshop, please visit: <https://calendly.com/ymhf/information-session-zoom>

The Saturday Athletics Club was formed in 2014 with an aim of providing an opportunity for youngsters to try a range of events within track & field athletics and is open to anyone of any ability from four years of age and up. In September 2022 the Saturday Club became part of the newly formed Cornwall Athletics Academy which is fully affiliated to England Athletics and works within their guidelines and recommendations.

All our coaches are fully qualified and dedicated to giving the young athletes their very best experience of track & field athletics, building up to the young athletes taking part in organised competitions.

We have a Mini Minors group for 4-7 year olds. The Mini Minors sessions last for one hour where they have fun events. They will then progress into the older groups where the sessions last for two hours. Moving the children up a group is at the discretion of their coach, who will have their best interest at heart.

The sessions will be varied from week to week where participants will learn the basic rules and techniques for each discipline leading on to taking part in our Five Star Challenges, giving them a chance to see how they are improving. This is a points based event which we run about every six weeks, where points are given for each event and added up to obtain a star rating up to a maximum of five stars, leaflets are available in our clubhouse explaining how the Five Star Challenge works.

Depending on weather conditions, youngsters will have a chance to try: the Pole Vault, High Jump, Long Jump, Triple Jump (U15 & up), Javelin, Shot Put, Discus, Hammer (when available) and a range of running Track events such as Sprints, Endurance and Hurdles.

The Saturday Club runs throughout the year, apart from when the track may be booked for other events or in extremely bad weather conditions, which could prove dangerous for us to run the sessions for the athletes. The Saturday Club operates from the Royal Duchy of Cornwall Track - Carn Brea Leisure Centre, Station Road, Pool, Redruth TR15 3QS. There is a 'parking eye' in operation, please log your car details inside the Leisure Centre.

Registration starts on Saturday mornings at 10:00 and the sessions finish around 12:30. The training fees are £4.00 for the older children and £2.00 for the Mini Minors. The Mini Minors session runs from 10:30 to 11:30. We have recently started an adult group for parent participation, please ask for details.

We do not charge a membership fee - just pay the training fees on the day, by cash or card. Check out our new website cornwallathleticsacademy.com

A change in the school kitchen...

Following Mrs Nicholas's decision to step down from her role serving our school lunches each day, we welcome Mrs Nicole Mathias (who the children already know very well) who will now take over this position.

IN the meantime, we would like to wish Mrs Nicolas all the very best for the future and thank her for all her hard work at Landewednack.

A message from Miss Carey....

I will be running an eco/coding club for KS2 children (Year 3 - Year 6) next half term on Mondays from 15:15 - 16:15. It will mostly be a chance for children to work on their own eco projects and computing projects with the help of some Year 6 leaders.

If you would like to sign your child up please let me know 😊

Thank you
