Friday 14<sup>th</sup> January 2022

## The lunch menu for next week... Monday 17<sup>th</sup> January - Friday 22<sup>nd</sup> January is from the WEEK 3 MENU

### End of the day....

To relieve the congestion on the pavement and to ensure the safety of the children at the end of the day, parents may come in to the school carpark area to wait for their children from 3.15pm. We ask that parents adhere to wearing facemasks where appropriate and to continue to social distance when necessary.

Pufflings' parents please continue to collect your children from the Little Lizards gate where Miss Gulley and Mrs Humby will be waiting.

Puffins' class can be collected from their usual gate from Monday afternoon.

The morning procedure will remain the same. Mrs Bray will welcome the children in to school and Little Lizards from the main front gate and Mrs Tattersall will be at the gate leading from Croft Park.

### PCSO Visit

Parents may have noticed that we had an unannounced visit from PCSO (Police Support Community Officer) Julia Berry last week. Julia has been visiting all the schools in the area and looking in particular for traffic congestion/car parking and how our children are being dropped off at school. Further unannounced visits will continue, thank you for the consideration shown with this matter.

# Wild Tribe Outdoor Learning

## Wild Tribe

Mrs Humby asks that Puffins please bring in their Wild Tribe rucksacks in to school from Monday. These will then be left on the children's pegs and only sent home if the contents need refreshing!

# Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#).

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further [information on self-isolation for those with COVID-19](#) is available.

---

## Department for Education COVID-19 helpline

The [Department for Education COVID-19 helpline](#) and the UK Health Security Agency (UKHSA) advice service are available to answer any questions you have about COVID-19 relating to education and childcare settings and children's social care.
