Thank you for helping your children arrive ready to learn each day. Good attendance makes a huge difference to progress, confidence and friendships. If you ever need support with routines or mornings, just let us know—we're here to help. Good attendance makes a huge difference to children's learning, confidence and wellbeing, and we are grateful for the continued support of our families in helping every child *Believe, Achieve and SHINE*.

Why this matters

Being in school every day helps children make strong progress, build friendships and feel secure in their routines. Even small improvements in attendance can have a big impact over time.

Thank you

We want to thank all families who keep us informed, follow illness guidance, and work closely with us when attendance dips. Your partnership really does make a difference.

How we support attendance

We continue to:

- Check in early when patterns change
- Offer pastoral and wellbeing support
- Work with families to remove barriers
- Celebrate good and improving attendance across the school

A message from Mrs Jones & Miss Carey

We are hearing from children that some unkind/concerning messages are being sent outside of school on personal devices/social media. If there's anything parents/carers or children are worried about please could you let us know. Although we can't control what happens outside of school, it would be very helpful if parents/carers could send us screenshots or photos of any concerning communication so that we can put the right support in place in school. We will be sensitive to parents/carers preferences about how we follow up on this, but all the information helps us build up a picture of what's happening and how we can put support in place. Many thanks.

A message from our Chair of Governors.....

The Local Monitoring Committee (known more widely as School Governors), would love to have one or two parents/guardians join us. It's a great way to learn a little more about the running of the school, and the MAT we are within.

What does it involve?

Attending one late afternoon mid-week meeting per half-term, and occasional other visits in school hours, no more than once termly. We have staff and community representation, but we feel we would benefit from stronger parent/guardian - or grandparent - inclusion.

If you are interested in finding out more, please contact the Chair Rachel Holder RHolder@landewednack.tpacademytrust.org or chat to Mrs Jones.

A Message from the PTFA...

Wanted! Items for a car boot sale this weekend please.

The PTFA have booked a fundraising stall and have gathered/donated several items for the table, but we would appreciate anything else you could offer that you think might raise money for our school & nursery. The event is being held this Saturday 6th June at 'The Hut', Penmmener Road, The Lizard.

For further information please email Nikki at landewednackptfa@gmail.com

Thank you in advance.

Book Bags

Could we politely ask that there are NO toys/keyrings etc attached to your child/ren's bookbags please. This message is especially for children in Puffins class as these (sometimes rather large!) objects cause an obstruction when children are trying to close their trays, which is where their bookbags are kept in the classroom. The bags are clearly named and any items attached to it do just get in the way. In fact, two plastic trays were cracked and broken this last week because of things attached to the handle getting jammed.
