### **Cross Country**

The Cross Country League resumes again next Tuesday 28th April. In a change to a previous post, these races will now take place at Mullion School from 4pm and are for ALL of our children. Please let me, Lyndsay Bray know if your child/ren would like to take part. It would be lovely to see some new faces running for us too! 🏃🏃

## **MULLION SCHOOL ANNUAL DANCE SHOW 2026**

We would like to invite you to come and see our annual Dance show. Students have been working hard all year to create pieces of dance across a range of dance styles. You will see students from all years perform pieces; including our extra curricular companies and KS4 examination groups.

Students can attend for **free** on  
**Wednesday 29<sup>th</sup> April at 4pm.**  
Tickets are also available to buy for the evening show  
on **Thursday April 30<sup>th</sup> at 7pm.**

### School Uniform

We always pride ourselves on how smart our children look at Landewednack, and with this in mind please could we take this opportunity to politely remind parents (and our children of course...) of our school uniform policy. A link to our uniform and PE kit dress code (from our website) is below....

### Phonics books

Please could we ask parents/carers (and children!) to check at home as to whether you may have any school reading books, especially from the Phonics reading scheme used by children in Reception, Year 1 and 2. This message also applies to children who 'used' to read these books and may have just forgotten to return them. Quite concerningly for us, there are several books missing from each colour section. Thank you in advance.

### A message from Mrs Jones....

*Hello everyone, I thought I would share this information with you as we are seeing a growing number of children at younger ages accessing inappropriate content online, which has an impact on their viewpoints and behaviour towards each other at school and in the community.*

*I would like to assure you that our school iPads are filtered and monitored. We receive daily reports including screen shots of any inappropriate use, or attempts to access inappropriate websites, both in and out of school time; we are aware also that many children have access to their own devices so please do watch the video below; this is not just related to secondary aged children.*

*Vodafone: The Rise of the Aggro-rithm Vodafone released a short video last year, titled 'The Rise of the Aggro-rithm'. It highlights the harmful algorithms targeting young boys. It's certainly worth a watch as well as learning about the terrifying statistics accompanying it:*
