

Gangsta Granny

Review By Lucas!

On Wednesday 13th of April Class 3 went on an **EPIC** trip to the Hall for Cornwall or more known as (HFC) in Truro, to watch Gangsta Granny to help us with our English project.

The Plot

The start of this amazing, funny, epic story is about an 11 year old boy named Ben who every Friday has to visit his cabbage stinker, scrabble player, boring old granny. Meanwhile his mum and dad are having their time of their lives.

After Granny overheard hearing ben calling her a boring person Ben stumbled upon a secret stash of stolen ancient jewels, and found that granny is more then what you would have expected she's really the biggest thief IN THE WORLD and is planning the best heist ever.

After finding out that Ben`s Granny is an international jewellery thief they go to the TOWER OF LONDON to swipe the crown jewels. They up the stinky sewage pipe and into jewel house. But before they could get their hands on it a know woman walks in.....to be continued in the book.

My favourite bits

Too be fair all of it was my favourite. But if I had to choose it would be at the end when everyone danced even me and the Flavio Flavioli dance.

Not so good bits

There was some mistakes but..... IT WAS EPIC!!!!

I GIVE IT FOUR AND A HALF STARS!!!!
