## **Sunhats & Lotion!**

A reminder please that we ask for the children to come to school and Little Lizards having already had sun cream applied. Children may also bring their sun cream with them to apply later on too. An ask also for the children to bring a hat (with their name in it) with them every day too. Thank you.

## **Sports Day**

After a fabulous afternoon last Thursday, please click on the following link to view photographs (on our website) taken of the children having a fabulous time!

## Messages from the PTFA

'The PTFA are very happy to announce that the Food and Drink stall that was run alongside sports day was a great success! Thank you to all the parents who enjoyed a pasty or a sausage and drink and by doing so supported the fundraising efforts for our school. We'd also like to thank certain sponsors for the event, without whom we wouldn't have been able to raise a superb £340! So, a massive thank you to the **CO-OP Mullion**, who supplied the PTFA with 40 sausages, 40 buns, ketchup, strawberries, cucumbers and lemonade!

Another massive thank you to **ANN'S PASTIES** who donated 100 cocktail pasties! And a big thank you **TESCO'S** for a £20 voucher which covered the drinks and rest of the expenses. Because of the generosity from local businesses, **ALL** the money that was made on the day will go towards the school and Little Lizards.

And lastly, a big thank you to Emma Vincent who showed up on the morning to help the PTFA set up all the gazebos for the children. We couldn't have done it without you!'

\*\*\*\*\*

This Saturday the 5th of July from 7pm, Tregullas Farm are having a Hoe Down to raise money for the Sea Shanty Charities - The Lizard Lifeboat, The Lizard Community Group and Landewednack School! The Sea Shanty Festival is being held in September, and our school is incredibly lucky to be chosen as a benefactor! Meaning, not only will the PTFA raise funds by having a stall at the event, but a portion of the total fundraising income of the festival is being donated to our school and Little Lizards. This weekend's Hoe Down is fundraising for that event! It's promises to be a hoot of a time, with line dancing and traditional Cornish barn dances as well as a chance to dress up in cowboy hats! Tickets are £10 per adult and £5 per child, which includes a hog roast (or veggie option). If you wish to purchase a ticket, please see Rona at the Tregullas Farm shop or The Witchball.

Our Country Dancers and 'Lady of the Flowers', Aza feature in this week's Helston Packet. Click on the link to read the article

Dear Parents,

We are very much looking forward to our exciting trip to St Michael's Mount next Wednesday!

To help ensure the day runs smoothly and everyone has a wonderful time, here are a few helpful reminders:

- ☑ Please ensure your child is wearing sun cream before arriving at school.
- 🍱 Children will need a packed lunch and a drink for the day.
- 👟 Make sure they are wearing sensible walking shoes, as we'll be doing lots of exploring.
- 📋 School uniform is required for all pupils.

We'll be opening the doors at 8:20am and aiming to leave promptly at 8:30am, so we can make the very most of our time on the Mount.

Thank you for your continued support—we're all looking forward to a fun-filled day of learning and adventure.

Mrs Jones

3rd July 2025

Dear all,

Over the course of this academic year, working closely with our catering provider Aspens, we have been looking to explore what improvements can be made to the catering services, while retaining the same quality of food offering. It is absolutely no reflection on the brilliant service we have received over the years, but more an acknowledgement that operational practices do need regular review to assure ourselves they are the best solution for our school now.

A daily delivered food service is something many of our schools have been using for a number of years with great success. Due to our proximity to a nearby production-level kitchen, Aspens who are specialists in catering, have advised us our school would be able to swiftly move to this model ready for the start of September.

Nationally you will be aware of the wider challenges linked to educational funding, and this solution will allow us to invest in different ways such as instead of replacing catering equipment coming to the end of its life (along with the heavy operational overheads on energy consumption kitchens require), into our classrooms and teaching spaces. We will continue to face inflationary pressures on food and production costs – this is unavoidable, and we can see that when we go shopping - but this solution will allow a meal cost to be £2.75 in AY 25/26 instead of higher values that would need to be considered otherwise.

Further updates will come from Aspens in the coming weeks, and I know this will cause concern having run an onsite production kitchen for many years. We are reassured by the existing service provided to fellow schools by Aspens, who are already operating a delivered service model, and are confident we will continue to provide good quality food to our children in the years ahead,

Kind regards

Louise Jones
